

This is to certify that

Action Tutoring

has achieved

Level 3

on

Nesta's Standards of Evidence

on September 2016

This means there is strong evidence of Action Tutoring's impact. Rigorous evaluation techniques have been used to show a positive change in one or more key outcomes among the programme's beneficiaries, and to show that this change was caused by the programme itself rather than other factors.

Vicki Sellick – Director, Nesta

Stephen Bediako – Executive Chair, The Social Innovation Partnership
